## Business Meeting at Legion

Members of the Legion in Strathmore met on Tuesday for a long session of business, part of which had been accumulating since before their last meeting.

Reporting on the erection of the Memorial Stone to members of the services who lost their lives in this war, the meeting was informed that a stone, similar to the wooden model which was built and shown in front of the existing stone, would be ready some time near the end of June. This will be fitted to the base of the present Memorial and conform to the same general lines. Names and initials will be used, and the names to be included are those of the men who enlisted from this district and fell in service.

Mention was made of the War

Bride's Ship, which members of the service are seeking to obtain. They hope to be able to charter a boat to bring back a thousand brides, then to be able to obtain a refund from the federal authorities of the normal amount expended in bringing over brides. A cash deposit is required from men who are so interested, and it was pointed out that the deposit would run from \$15 to \$200.

In connection with the Clothing Drive now being organized in town, Mr. J. Bennett and Mr. T. Oldham were appointed Legion representatives in the committee.

The secretary informed the meeting of the family social being held on the 31st of May, and asked that all attend to help it out.

Five new members were admitted to the Branch on Tuesday evening. These include Messrs. T. Oldham, C. Lyons, F. Miller, S. Slater, all of Strathmore and H. Stark, of Rockyford. The induction address was read by H. C. Willson and J. Brown.

A resolution asked that the Minister of Veteran's Affairs be petitioned to enlarge the scope of the rehabilitation scheme in order that teachers, whose time is of necessity circumscribed, be permitted to attend their time credits at university in order to include a series of summer school courses.

## SCOUTS ATTEND CALGARY RALLY

Motoring to Calgary on Monday afternoon, about twenty-five members of the Strathmore Troop of Boy Scouts attended the Scout-Guide rally held in Mewata Stadium. The rally was on the occasion of the visit of Lady Baden-Powell, Chief Guide for all the world.

Owing to the inclement weather, the rally was held indoors in Mewata Armouries. Some three thousand Scouts, Guides, Cubs and Brownies gathered there in their troops packs and companies. When Lady Baden-Powell arrived, the Brownies and the Cubs each put on a short display for her following which she inspected each of the troops in the hall. Strathmore's troop got a warm word of commendation for its rest and was urged to "carry on".

Returning to Strathmore following the affair, the troop met in the evening for their regular meeting. A game designed to show their powers of observation was played, and a short session of boxing took place under ASM Fred Wilkinson. Two periods of instruction in Tenderfoot tests took place.

Two members of the troop have now passed their Tenderfoot test, and will be invested at an early date.

## Anglican Advance Appeal

His Excellency Field Marshall Viscount Alexander of Tunis and Errigal G.C.B., G.C.M.B., C.F.I., C.S.I., D.S.O., M.C., and Her Excellency Lady Margaret Alexander have graciously consented to be patrons of the Anglican Advance Appeal for Rededication and Thank-offering.

This campaign, which the Church of England in Canada is conducting, is part of a world wide movement of all communions for the establishment of a Christian way of life and the assurance of a permanent peace.

A drive will take place during the week of May 12th when the Church of England in Canada will campaign for \$4,300,000 to finance its forward movement and firmly establish its pension fund for the Clergy.

## C. G. I. T. BANQUET BASEBALL LEAGUE ORGANIZED

Places were set for eighty at a very delightful Mother and Daughter Banquet arranged by the Leaders, Mrs. Alice Polley and Mrs. Elmer Gray, ably assisted by the members of the Senior and Junior groups.

Streamers of the C. G. I. T. colors fastened about the ceiling and long tables with a profusion of lovely flowers made a very pretty setting.

Following Grace repeated by all the girls a delicious and bountiful banquet was done ample justice. Miss Olive Potter was Toastmaster. The following toasts and responses were all ably given and contained much of interest.

The Church—proposed by Grace Tench—responses by Mrs. Patrick Veepers—carried through by the girls with Marian Ekes playing the violin to provide the music for the camp.

Miss West in her Sari costume brought greetings from 80,000 girls in India. Of this 80,000, Miss West said not more than 200 would reach High School. But she sounded a hopeful

(Continued on Page Four)

## D. A. Perry Retires

R. R. McILVEEN NEW STATIONMASTER

It was announced Wednesday that R. R. McIlveen, presently of Gull Lake, will be arriving in Strathmore to take over the post of Stationmaster, being vacated by D. A. Perry, who is retiring.

A relief man will be arriving on Monday, to carry on for a couple of weeks until arrangements have been made for Mr. McIlveen to leave Gull Lake.

Mr. Perry has been Strathmore's stationmaster for the past twenty-two years. He has now reached the age of retirement, and Strathmore citizens are showing their appreciation of Mr. and Mrs. Perry's good citizenship by extensive entertaining.

Mr. Perry has during his years here been active on most of the local organizations. He has served on the Church Board, he was a most active Mason, a key man in the band for years, as well as giving his time to the Curling Club, the tennis club, and the golf club. Mrs. Perry has also given generously of her time in helping the Red Cross, the Ladies Aid, the Sorosis, and the golf club.

They will be leaving Strathmore about the middle of next week, and after settling in their new home in Kelowna, will make a short trip to Medicine Hat to visit friends there.

## Organize Wheat Belt Baseball League

Keen interest was shown in baseball on the evening of May 6th, when between twenty-five and thirty representatives of six centres gathered in the Canadian Legion Hall at Vulcan and organized a baseball league to be known as the Wheat Belt Baseball League. The League consists of the following towns: Arrowwood, Champion, Carseland, Mossleigh, Queenstown and Vulcan.

The officials of the league are as follows: Honorary President, Mr. Frank Adduman, Mossleigh; President, Mr. F. Bouzyr, Champion; Vice-President, Mr. E. Stump, Mossleigh; Secretary-Treasurer, Mr. G. E. Clayton, Vulcan.

The league schedule is to commence on Sunday May 19th, with games at Arrowwood, Carseland and Champion and regular league games are to be played each Wednesday evening and Sunday henceforth.

## Clothing Drive Now On

Those pinching shoes, those shiny pants, That old-but-still-good suit; The socks that shrank, the coat too snug, That dress no longer cute.

These very things would bring delight To many refugees; So why not pack them up today, For sending overseas.

—From "Net Results"

Authorized by the Canadian Government, the Second National Clothing Collection Campaign is now on. All kinds of used, serviceable clothing are required, to be distributed free among

the men, women and children of the war-devastated areas of Europe and Asia who are in dire need. The objective of the Drive is the gift of at least one garment from every man, woman and child in Canada. Will you, reader, do your part?

Geo B. Anderson is again Chairman of this drive in Strathmore.

The industries developed by electrical power in the St. Maurice Valley are the subject of a new National Film Board production entitled, "Power Valley".

The "Big Six League" consisting of Strathmore, Rockyford, Standard, Meadowbrook, Cluny and Chancellor, will operate again this season, it being the same as last season, except that Standard is in this year instead of Hussar, which was unable to find enough players to put up a team.

The first League games are to be played on June the second (2nd), all Sunday games to be played at 3 o'clock, and the Wednesday games at 6 o'clock sharp.

All the teams are getting some games under their belts, and should be in good shape when the schedule starts. A copy of the schedule appears on another page. Those who are interested may cut this out and save it for future reference.

## WEDDING

PARROTT—HUNTER

The home of Mr. and Mrs. Thomas G. Fraser of Standard was the setting for a very pretty afternoon wedding when Della Lorraine, youngest daughter of Mr. George Hunter of Gleichen was united in marriage to Mr. Wm. Wallace Parrott, twin son of Mrs. W. Parrott and the late Wm. Parrott, formerly of Bassano and now of Long Beach, California, by Rev. Hunt of Strathmore.

The marriage was solemnized before the fireplace which was tastefully decorated with tea roses, tulips and daisies in a room trimmed with pink and white streamers and in the presence of only immediate relatives.

The bride wore a teal blue dressmaker suit with black accessories. Her corsage was of tea roses. Her sister, Mrs. Thomas G. Fraser was Matron of Honour and chose for the occasion a brown tweed dressmaker suit with brown accessories and a corsage of yellow roses. Mr. T. G. Fraser was best man. Rev. Hunt sang "I Love You Truly."

The groom's gift to the bride was a matched travelling set and to the Matron of Honour a rose gold glamour pin.

Following the reception the young couple left for a honeymoon in the mountains.

The bride has been on the staff of the Gleichen, Alberta Government Telephone Exchange for the past eight years. The groom was a Japanese prisoner of war for three and a half years, having been captured on Wake Island and later interned on the island of Kyushu. They will make their home at 2189 Linden Avenue, Long Beach, California.

## COMING EVENTS

Miss Georgia Chapman will present her pupils in recital in the Memorial Hall, Strathmore, Thursday, May 30 at 8 p.m. Everyone cordially invited. 2m23p.

Public libraries in Canadian communities are using films to increase the circulation of books by stimulating interest in special topics.

## THE 'OUT-SIDE'

●BUTTER RATION UP

The butter ration will be increased to six ounces per coupon on May 16, the Wartime Prices and Trade Board ration officials have pointed out. The ration which has been in effect for several months because of the acute butter shortage, Butter coupon "R8" becomes valid on Thursday, May 16, and the following Thursday, Coupon "R9" becomes valid.

●MAPLE SYRUP COUPON VALUE CHANGES

Consumers who are planning to secure maple syrup this season should take advantage of the increased ration which is in effect until the end of May, ration officials of the Board have pointed out. The present ration for maple syrup is 80 fluid ounces for one coupon. After May 31, the ration will return to its regular value of 40 fluid ounces. Sugar-preserver coupons are used to purchase maple syrup. For those consumers who plan to buy directly from the producer, vouchers are available at local ration boards. It is necessary to surrender sugar-preserver coupons at local ration boards for maple syrup vouchers, as it is illegal to send loose coupons through the mail.

●Allocations Announced of World Sugar Supply

Canada's per capita consumption of sugar this year will be maintained by an increased allocation in spite of a slight decline in the amount available for world distribution, it was revealed by an announcement of the sugar committee of the Combined Food Board representing Great Britain, Canada and United States.

HONEY PRICES ARE INCREASED

To help meet higher beekeeping costs resulting from cancellation of the subsidy on imported packaged bees, the Prices Board has announced an adjustment of one cent per pound in the wholesale ceiling prices of honey. The new schedule, now effective, will mean an adjustment of from one to one and one half cents per pound in the retail ceiling prices of honey.

In line with its policy of removing subsidies wherever possible the Board recently cancelled the subsidy of fifty cents a pound paid during 1943 and 1944 on packaged bees imported from the United States.

## Strathmore Wins Ball Games

With three games to their credit so far this season, the Strathmore Baseball Club has also three wins. Playing a doubleheader on Sunday, they opened against Nightingale and won that game with a score 8-3, while in the second game, played against Carseland, they rolled away with the tune of 17-8.

On Wednesday evening they again played Carseland... this time in their own grounds. Only five innings were played, since the game had to be called on account of rain. The score at this time was 8-3.

### OTTAWA LETTER

## Social Security Measures

Senator F. W. Gershaw

Eight of the nine provinces provide allowances to mothers who are widowed or who under circumstances are without means of support.

Alberta will pay up to \$35.00 to a mother with one minor child. The amount can go up to \$55.00 per month where there are six children. This seems to be the highest paid by any province except Manitoba, where an extra allowance is made when there is a disabled father in the home. The exact amount paid in Alberta is set by the Department after considering conditions in each case. In Alberta, 25% of the cost of the allowance is borne by the municipality.

Workmen's compensation is the responsibility of industry. Payments are made to workers in the course of their duties and to their dependents in case of fatalities. The funds are administered by a provincial board.

The Family Allowance Act was passed in Ottawa in 1944 for the purpose of giving more equal opportunity to all the children of Canada. The money is paid monthly to the mothers and must be spent exclusively for the maintenance, care, training, education and advancement of the child. If it is shown to the authorities that the money is not being spent for this purpose, payment can be stopped or paid to some other person or agency on behalf of the child. The child must attend school if conditions permit. The allowances are tax free and are paid at the following rates: Children under 6 \$5. Children 6-9 \$6. Children 10-12 \$7. Children 13 to 15 \$8.

After the 4th child the allowances are reduced one dollar for the 5th child two dollars, for the 6th and 7th child and three dollars per month for each additional child.

3,168,187 children in Canada are being paid at present.

The Employees and the Employers each pay about two-fifths of the cost of unemployment insurance. The Dominion Government pays one fifth and the rates of weekly benefits depend on the contributions when employed. A man making \$26.00 or more per week would receive \$14.40 per week for the time he is eligible for the weekly benefits. All particulars can be obtained from the Regional Offices at Vancouver or Winnipeg.

Pensions to senior citizens at 70 years of age have been paid since 1927. The amount paid in Alberta is \$30.00 per month if the total income of the person does not exceed \$425.00. The average pension paid in Alberta is \$24.13. The share contributed by the Dominion in all of Canada is \$328,766,530, annually. Pensions for the blind started in 1937.

A Canadian Government annuity is a yearly income of from \$10 to \$1200.00 payable for life or guaranteed for 10, 15 or 20 years and payable for life thereafter.

The costs of the annuities are paid largely by individuals who purchase annuities altho the Dominion Government pays the administration costs and keeps the fund solvent.

There are many allowances for ex-service men and their dependents. Also each Provincial Government has such welfare services as Homes for the Aged and Infirm, Children's Aid Societies, Reformatories, Homes for Deserted and Delinquent Children, Training Schools for Mentally Defective Children, Industrial Schools, Etc.

Programmes of films on sports and wild life for boys' and girls' clubs are provided on request by the National Film Board's representatives.

### BARLEY CONTEST CALLS CARLOAD

Inquiries occasionally received indicate that in some cases, there is some misunderstanding concerning the National Barley Contest now in progress. In order to enter, a farmer in the areas designated, must agree to produce a carload of barley . . . 1667 bushels.

Four varieties are acceptable; these

are O. A. C. 21, Mensury, (Ottawa 60), Olli and Montcalm. Larger fields are desirable, but no field may be less than forty acres, excepting in areas where farms are small, when two farmers may combine with twenty-five acres each.

As the contest closes on June 15, entrants are asked to forward their entries as soon as possible. Rules and regulations are now already for distribution.

## LANGDON

— By G. E. W. —

A Miscellaneous shower was held on Thursday evening, May 2nd, at the home of Mr. and Mrs. Lee Bittle in honor of their son and daughter-in-law, Mr. and Mrs. Vincent Bittle (Blanche Aitken). The happy couple were showered with many beautiful and useful gifts, presented to them in a gaily decorated basket. Both Vincent and Blanche thanked their friends for the gifts, after which a delicious lunch was served.

The directors of the W. I. met in the hall on Wednesday afternoon, May 8th, to work on the scrap book for the coming conference.

Two car loads of excited ball players from the Langdon Junior room motored to Indus last Friday afternoon, to play the Juniors of that school. Owing to the high wind it made it difficult to play at times, but that didn't stop our team from winning the score being Langdon 21, Indus 11. Three Cheers.

Don't forget the track meet that will open here in the grounds on Thursday May 23rd, at 9 a.m. The schools taking part will be Indus, Rockland and Langdon. This promises to be a day of good clean sport and if weather permitting everyone is to have a good time. So keep this date open.

The Ladies Aid will meet in the W.I. hall on Wednesday, May 15 at 2:30.

A special Mother's Day service was held this Sunday in the hall, when Mr. Aldridge conducted the service, and several of the boys and girls took part. There was a good attendance.

## HEAVIER RAMS REQUIRED AT FALL SALE

Pure bred sheep breeders are reminded by Live Stock Supervisor, A. J. Charnetski, that minimum weight limits have been placed on rams entering the next fall Sheep Sale at Calgary.

It should be kept in mind that pure bred ewes and suckling lambs should be provided with top quality pasture as well as a place where the lambs can be fed in a creep. Even shearing rams should be prepared well in advance of sales. If the pure bred sheep breeders in Alberta desire to hold and further develop the American market, only well grown out and well fed to good breeding condition rams should be brought out to the Sale.

## CANADA'S FOREIGN POLICY

A significant step was taken in the growth and development of Canada's foreign policy, and the method of giving expression to it, when the Prime Minister recently announced a bill to amend the present legislation regarding the External Affairs Department. The bill will allow any Minister to hold the External Affairs portfolio. Since 1912 this portfolio has always been held by the Prime Minister, and there have been certain limitations as a result.

Professional forecasters in the Capital are saying that this step by the Government is bound to lead to a separate ministry of External Affairs, which would be entirely in keeping with Canada's new and dignified position in the international world.

## HUSSAR

— By M. C. B. —

On Thursday, May 2nd, the women of the district gathered for a U.F.W.A. Local at the home of Mrs. C. T. Armstrong. The meeting was eminently successful and enjoyable. Nineteen members joined at this time. The following officers were elected: President, Mrs. C. T. Armstrong; Vice-President, Mrs. M. C. Jensen; Secretary-Treasurer, Mrs. E. C. Dettmer. The five directors are Mrs. W. J. Treacy, Mrs. E. Christensen, Mrs. H. Thew, Mrs. H. A. Trend, Mrs. W. Slenke. The next meeting will be at the home of Mrs. Edith Christensen, on May 21, at 2:30 p.m.

The last meeting of the Bridge Club for the year was held at the home of Mrs. E. J. Bell, with Mrs. T. Broom and Miss F. Candt assisting hostesses. Bridge was played at four tables, with Mrs. K. Schooling winning the first prize and Miss Kandt, the consolation.

A lovely tea and shower for the Hussar War Bride, Mrs. Gothard Nielsen, was held recently at the home of Mrs. Mads Jensen, with Mrs. F. Brink and Mrs. Phyllis Durskov the assisting hostesses. A very interesting and enjoyable program, consisted of welcome songs and community singing led by the Hussar Ladies; a talk by Mrs. T. Burdett, a bride from England after the First World War, telling of her own experiences at that time; and welcoming Sonia; a piano solo by Miss Ruth Treacy, and a talk of welcome from Mrs. C. T. Armstrong.

After the lunch there was a shower of useful and beautiful gifts from the ladies of the community. Mrs. Sonia Nielsen made a very interesting reply of thanks to all for their great kindness to her a stranger in our country.

Mother's Day was honored at the Hussar Ladies Aid when it met at the home of Mrs. E. F. Blake on Thursday afternoon, with some thirty members and visitors present. Each member responded to roll call with a gem of poetry or song commemorating "Mother's Day." There was a special program also a talk by Mrs. C. T. Armstrong, Songs by Mrs. Knudsen, Mrs. Jensen, Mrs. Pringle and Mrs. L. I. Montgomery; a poem by Mrs. Burdett, Mesdames Montgomery, H. Buck-schmidt and H. B. Stitt alternated at the piano. Then Mrs. E. J. Bell presented Mrs. H. B. Stitt with a gift from the Aid in appreciation of the wonderful help she has been to the aid during her stay in Hussar, and their best wishes for her in her new home together with the sincere regret of all, that she will be leaving Hussar soon. Next meeting at the home of Mrs L. I. Montgomery, June 12th.

On Saturday, Wilbur Saunders met with a painful and serious accident, and was rushed to the Basano Hospital, where he may be for some time. They were having the usual spring clean up and bonfire when he accidentally caught fire, and before the flames of his burning trousers could be extinguished, his legs and feet were very badly burned; the presence of mind of his younger brother George was the means of putting out the flame, as he beat the flames out with a sack.

## STANDARD

(By Mrs. R. G.)

Mr. and Mrs. C. R. Williams who have been visiting the latter's parents, Mr. and Mrs. C. P. Dahl, for the past few weeks have returned to their home in Seattle.

The United Ladies Aid held their annual meeting at the home of Mrs. A. L. Story. Mrs. Lee is the president for the coming year, Mrs. A. Lind is Vice-President and Mrs. M. Christensen is Secretary-Treasurer. It was decided to hold a tea and plant sale on May 25 in the K. P. Hall. Tea will be served both afternoon and evening. A good supply of cabbage, cauliflower and tomato plants as well as flower plants will be on sale. The proceeds are for the Red Cross.

Glen Petersen has gone to Vancouver as an apprentice in a drug store.

Last week Mr. and Mrs. Otto Christensen and Mr. and Mrs. Leo Larsen motored to High River to visit Oliver Christensen at the Bar U Ranch.

Mr. and Mrs. Ed Christensen and Mr. and Mrs. Otto Christensen are motoring this week to St. Paul Minn. to attend the Golden Wedding of a sister of Mr. E. and Mr. D. Christensen.

Mrs. Ankler Jensen and Son Jimmy came from Edmore Michigan to spend

several weeks with Mr. and Mrs. M. M. Jensen and other relatives.

The Young Peoples' Society went over to Hussar to have a meeting with the Hussar Young People Sunday, May 5.

The Young People's Society held a Mother's Day program in the church last Sunday evening.

Mr. Wesley Petersen motored to Airdrie to visit his daughter and son-in-law, Mr. and Mrs. R. Clayton for the week end.

At the Christening Ceremony on Sunday Lorna Jean were the names given to the infant daughter of Mr. and Mrs. Berge Larsen. Mr. and Mrs. Alex Christensen were the sponsors.

Spring flowers and ivory tapers decorated the tea table Saturday afternoon when Mrs. Knowlton and her daughter Gwen were hostesses to twelve guests for a mother and daughter tea. Mrs. C. P. Dahl poured tea and Marilyn Dahl and Lois Rasmussen were visitors.

## STANDARD CELEBRATES 35 YEARS OF LUTHER

Next Sunday May 19, the Danish Lutheran Church will celebrate the 35th anniversary of the organizing of the congregation. A very interesting

program has been planned for the whole day beginning with Festive Services in the morning and concluding with a Sacred concert given by the Standard Choir.

It will be interesting for many to remember that the first congregation met in the school house and it wasn't until October 1917, that the church was dedicated. The first minister that came in October 1912 was Rev. J. K. Jensen. The following ministers have served since:— Rev. A. Hansen 1921-1924, Rev. L. K. Kjoller 1924-1928, Rev. S. S. Loft 1928-1931, Rev. A. N. Skandrup from Tilley 1931-1932, Rev. V. Beck 1932-1938, Rev. A. Husted Christensen 1938-44 and with Rev. M. Jorgensen the present minister. As the Standard church pauses to observe this 35th anniversary it wants the people of the community to know that The Church is here to instruct the young, to comfort the bereaved, to strengthen the weak, to guide upon the path of righteousness and truth and to bring the hope of the gospel to the dying.

A little girl found fault with the audience at a children's concert in which she helped to sing a chorus.

"I know we didn't make one mistake," he explained on the way home, "and yet they made us sing it all over again."

**"THAT'S  
A LOAD OFF  
MY  
MIND!"**

Mrs. Mason's husband gets his pay in cash. Since he's working all day, his wife banks it for him, and she says she's always jittery 'til she gets it safely there. And her brother, who runs a store, says he worries too about the money from the cash register! Safeguarding your money is one of the prime services rendered by your bank.

**What a relief** it is when you have deposited your money in the bank! No more worry lest it should be lost or stolen! You need only keep a little ready cash in your pocket or in the house. Bills can be paid by cheque and your cancelled cheque is your receipt.

**When the teller** hands you your pass book, you glance at the balance and know to a cent how much money you have. You are so accustomed to your bank's accuracy that you seldom bother to check the figures.

**The very fact** that you—and some 5,000,000 others—take all these conveniences as a matter of course is a daily demonstration of your confidence in the dependability and efficiency of your bank.

## PRICE CONTROL WITH A JERK

The Wartime Prices and Trade Board got off a neat piece this week about controls and cost of living in a post-war world. It's written by Edna Jacques and headed "Come Josephine in My Flying Machine."

We were drifting along in her flying machine feeling with her sinking in the pit of the stomach, the clouds brushing by and the dreams she was enjoying when suddenly we were brought up with a jerk and we were reading about taking off subsidies and sharing in work for peace instead of soft breezes rubbing along the wings.

But we got such a kick out of it that we're reprinting it so our readers can enjoy the same feeling. (That's what WPTB wanted us to do anyway).

### COME JOSEPHINE IN MY FLYING MACHINE By Edna Jacques

Below us the quiet earth marked off in little squares dappled with sunlight and shade. The Rideau River like a pale green snake winding and coiling across the countryside.

The lady in the front seat was reading "Hollywood Roundup". She wore a grey flannel suit and had perched her new spring hat atop her knee.

Another lady with a heama rinse, comfortably bedded down with pillows, was reading a magazine, concentrating on spring styles.

No books for me. After all, you could read at home in bed or even sneak a "quickie" story in the office while the boss went out for coffee; but a plane ride isn't come by every day of the week and who were we to spend fifteen dollars for a ride and waste it reading anybody's roundup?

How does it feel to be up in the air? Well here are a few of the things you think about.

First, a little sensation in the pit of your stomach; after all, we're land animals, not eagles.

Then a rock-a-by-baby-in-the-treetop feeling, like a good ship riding upon a gentle swell, homeward bound and full of content.

You think of dreams you've had of floating in space, wondering why no one could see you and think how smart you were.

You think of covered wagons and smudge fires in the dusk beside the old corral at home. Clouds are close and seem to brush against the silver wings of the plane, lightly as if teasing its giant strength.

Coming down to earth was another link in the story of Josephine. Losing altitude gradually, watching the little fields come up, beginning to see that buses were not little

bugs moving along the road . . . waiting for the first bump that told you the wheels had hit the ground moving up the runway into the wind . . . walking calmly into the airport at peace with the world.

The world has been flying high for the past six years. Money had to be poured out like water for tools of war, munitions, ships, planes, tanks and guns.

Coming down to the level of ordinary living isn't easy after war either. Controls on the cost of living must come off gradually like the pilot easing his plane down. Subsidies must come off one at a time, price ceilings must be eased to take care of higher costs of production.

Piloting a country as wide-flung as Canada from war to peace isn't an easy job and it isn't a one-man job either. It will take the brains and brawn and patience of millions of our citizens to do that. Every one has a share in the outcome and in making it work. Everyone stands to gain or lose as we level off to a peacetime living.

The Canada of ten years hence will tell the story of how we came down from the high levels to the common earth of peacetime.

### CLEAN-UP NO WASTE

The Clean-up, Paint-up Plant-up campaign now being conducted across Canada is meeting with great success. Towns and cities everywhere are following the idea of improving spots here and there and thereby improving greatly the total.

There is no waste involved in the clean-up idea . . . it is no idle fetish. Many are the points by which a community gains when they foster the campaign. The Canadian Junior Chamber of Commerce has outlined a few of them in a piece of literature they turned out a few days ago.

They point out that the community spirit is developed when all sorts of people group together on a common project. When buildings are cleaned and painted, streets and alleys are cleaned up, and with fewer dark corners and alleys, crime is discouraged. Safety is promoted when fences, sidewalks, handrails are repaired.

The community as a whole becomes a more attractive place in which to live.

### C. G. I. T. BANQUET

(Continued from Page One)

note in that those who do advance are anxious that their number should increase.

Our Mothers—proposed by Verna Mae Gannon and replied to by Mrs. Polley of Calgary.

Margaret Scott was the lucky winner in the draw for Camp Fellowship which entitles the girl to half expenses in the Summer Camp.

An amusing skit—Melodrama was put on by about ten of the girls. Interspersing the various items Camp Songs were sung, led by Mrs. Polley. The C. G. I. T. group show much enthusiasm in their work, credit for which is due the leaders Mrs. Polley and Mrs. Gray.

The address of the evening was given by Miss Mann, Provincial Secretary. This proved an exceptionally clever talk based on the Creed of the C. G. I. T. which is to Cherish Health, Seek Truth, Know God and Serve.

Miss Mann's opening remarks Miss Mann explained the division of the \$3000 that had been raised throughout the year in Canada.

The girls have been studying the book Spotlight in Africa—and much of the \$3000 is being sent to various uses in Africa. \$200, however, is being retained for education of non Anglo-Saxon girls in Alberta.

Miss Mann's address was overflowing with points, which acted upon should make a world worthy of mankind's best endeavors.

A brief selection read by Mrs. W. E. Thompson was a sort of heart-to-heart talk of Sympathetic understanding in a girls choice of her work.

Jean Tew read a Cheer for Mothers. The Candle lighting ceremony followed completing a very worth-while evening.

### PLAN TOURIST CONFERENCE

First tourist conference in Alberta since 1941 has been called for May 16, 17 and 18 in Edmonton. Principal discussion will centre around proposals to license tourist camps and cabins but other subjects will include improvement of standards in service, courtesy and cuisine, co-ordination of community activities and special events including sports, suggestions for providing educational facilities for resort operations and employees on subjects which affect their business, legislation pertaining to traffic, fishing and hunting laws and so forth, and means of raising funds for local advertising and publicity.

The Publicity and Travel Branch of the Department of Economic Affairs, which is making the arrangements has issued a blanket invitation to transportation companies, oil companies, Boards of Trade, Chambers of Commerce and all others as well as resort operators to attend, and a special request has been made that resolutions pertaining to all phases of the travel industry be sent to the office of the director of the Publicity and Travel Branch, Legislative Building, well in advance of the conference in order that they may be prepared for the agenda. Announcement regarding the principal speakers will be made in the near future.

**FOREST FIRE PREVENTION**  
With the coming of the annual forest fire hazard season, the usual precautions are being sent out by the forest service of the Alberta Government against carelessness at this period of the year. It is especially pointed out that this year presents an early start to the fast disappearance of snow and the rank growth of last year's grass

which is exposed everywhere and which is a definite danger unless every precaution is taken. The slightest act of carelessness in this particular may start a serious forest fire that might last for days, endangering human life and property and destroying countless square miles of valuable timber, wild life of all description and presenting a serious obstacle

### CHRISTIAN SCIENCE

Christian Science churches on Sunday will hear an exposition of the theme, "Mortals and Immortals." Following are significant passages from the Lesson-Sermon: "Know ye that the Lord he is God; it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture." (Psalms 100:3) "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is co-existent and co-eternal with the mind." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 336.)

### SHOWER AND CHARIVARI

Cairnhill School was the scene of a large and jolly party last Friday evening when a community shower and Charivari was arranged in honor of Mr. and Mrs. A. Brown (nee Miss C. Tudor).

Guests numbering about seventy crowded the school room to a capacity. Dancing was the chief pastime. At midnight a delicious supper was served this being followed by the presentation by Mrs. Carlyle Christensen of a large number of beautiful gifts and accompanied by the best wishes of all present for success and happiness in the future. The groom made a pleasing reply, after which dancing was resumed. A number of Calgary guests were present.

## Canada Garden Service

By Gordon Lindsay Smith

### AVOID THESE MISTAKES

Two of the commonest mistakes of the average gardener, especially the one of limited experience, are planting far too much too soon and not planting enough in May and June. During the first warm weeks of spring practically every human being has the urge to get out and dig. He rushes to the nearest seed store, gets supplies and is likely to put in a great number of things which should never be planted until the soil and air warm up permanently.

Such a course usually results in loss and discouragement. Peas, grass seed and a few hardier flowers and vegetables don't mind quite a lot of cold and wet, but the great majority of plants do.

This too-early planting, also, has another disadvantage. Usually all seed or space is used up too soon and even if weather is favorable the result is too many vegetables ready for the table in July, not nearly enough coming along in August and September. The experienced gardener will always divide his seed into at least three parts, risking the first a little ahead of the regular planting time, putting in the second about the normal time, and saving the last until at least two or three weeks after that. This gives him a continuous supply of the very freshest vegetables right through the season.

**BARLEY CONTEST PROMOTES MARKET**

Entries and inquiries received by general and provincial committees have indicated that the \$25,000 National Barley Contest will help to stimulate Canada's barley production and improve its quality.

Prof. T. J. Harrison, chairman of the general committee, commenting on the purposes which motivated the contest, this week again stressed that quality production will be one of the biggest factors in ensuring Canada's re-entry into world barley markets.

The committee again stresses that only four varieties may be used in the contest, O. A. C. 21, Mercury (Ottawa 60), Olli, and Montcalm.

There is no restriction on the grade of seed used, although growers using registered seed may have an advantage.

### LOANS to Purchase

**PURE BRED**  
**LIVESTOCK**

**THE QUALITY** of the livestock on your farm can be improved in relatively few years through the steady introduction of selected individuals of good blood lines. Should you wish to buy young pedigreed stock or mature animals of superior breeding, The Royal Bank of Canada will be glad to lend you cash for the purpose.

Under the Farm Improvement Loans Act, 1944, loans are available on most attractive terms for the purchase of foundation or breeding livestock, for machinery, equipment, farm electric systems, the construction and repair of buildings and other purposes. Repayment may be arranged by convenient instalments and the interest rate is low. We welcome your enquiries for farm loans.

### "FARM IMPROVEMENT LOANS"

This is the title of our new booklet which describes in detail the many attractive features of Farm Improvement Loans... what the money can be used for... method of repayment... and the new types of security which can now be accepted by the Bank. Ask for a copy at your local branch.

Roy Foster attended the C. P. R. meeting in Medicine Hat, Sunday.

Mr. and Mrs. R. J. Parker and family spent the week end at the home of Mr. and Mrs. Geo McBean.

## NEW BONDS COMING

A completely new type of government security is going to be placed on the market this autumn, states the Financial Post.

It will be a "baby bond" type of security, although the exact name has not yet been chosen. It will carry a higher rate than market interest rate and have a number of special features aimed to attract payroll savings and other "small" investors. It will be introduced in time to replace present nationwide payroll deduction plans.

As well, the Government will float a purely commercial loan next fall through banks and investment dealers. This commercial loan will not be accompanied by wartime sales ballyhoo. Its appearance may coincide with the introduction of the new-type bonds. But the two securities will most likely be marketed quite separately.

### Dividend Notice

NOTICE is hereby given that a Dividend of Two Cents per share will be paid on or after Friday, the 31st day of June, 1946, to shareholders of the Company of record as such at the close of business on Friday, the 31st day of May, 1946.

THE REGISTER OF TRANSFERS will be closed from the close of business on Friday, the 31st day of May, 1946, until the opening of business on Saturday, the 22nd day of June, 1946.

By Order of the Board.

D. P. McDONALD, Secretary-Treasurer

NOTE: Transfer charge is 35c for each new certificate issued. If certificates are to be mailed, add 15c for postage.

CHANGES OF ADDRESS SHOULD BE SENT TO THE COMPANY'S OFFICE, 201 Lancaster Building, Calgary, Alberta, ON OR BEFORE THE 31st DAY OF MAY, 1946.

## RURAL GLEICHEN

Mr. J. Koefoed who has spent several months with his daughter in Calgary is home again, and feeling real well.

Mrs. Denton Sammons who has been in the hospital the past week receiving medical care, was able to return home the end of the week.

Mr. and Mrs. Dick Robinson were called to Red Deer Thursday, by the death of their son.

Relatives have received word of the serious illness of Mrs. Bayer (nee Oral Koefoed) of San Pedro, Calif.

Mrs. C. E. Messenger of Calgary spent a few days with her father Mr. J. Koefoed.

Word has been received of the marriage of Bob Riddell at the West coast. He has been attending the University out there, but is working for a lumber firm during the summer.

We are glad to see Francis Day home again. He has been in the Belcher Hospital.

Mr. and Mrs. Foster Ferguson of Edmonton are visiting relatives and friends for a few weeks.

Mr. and Mrs. J. Umbrite of Three Hills spent the week end with Mr. and Mrs. R. P. Umbrite.

The U.F.W.A. held their regular meeting at the home of Mrs. N. MacMillan Thursday afternoon. Twenty-eight ladies answered roll call by giving their mother's hobbies. The ladies will make a quilt to display at the Brooks conference and later dispose of for the Robert Gardener Fund. After the regular business meeting a very interesting and varied Mother Day Program was given. Mrs. H. Burne had charge. Lunch was served by Mrs. D. Yule and Mrs. L. Stott.

Mrs. Marjorie Hanna who is playing ball this summer in Lettbridge was home over the week end.

George Besroches has been visiting Mr. and Mrs. W. D. Erford. Mr. Besroches lived here some years ago before going to the west coast to make his home. He has recently sold out his interests in the east and will make his home in the east.

Georgina MacPhee who taught school a few weeks in Swallowell is home again.

Mr. and Mrs. L. Koefoed have been having a carpenter make improvements on their house.

W. C. Burke and Sons of Carmangay have moved the old Jun Kee restaurant building to the north end of town where it will be used in connection with the new filling station to be opened there soon. They also moved the old Shamrock school building from its location to the J. R. Burne farm. Both buildings were old familiar land marks.

Last Friday afternoon Mrs. G. Chartand entertained about fifteen children in honor of her older sons sixth birthday. The usual round of games followed by a sumptuous lunch, made the day one long to be remembered by the youngsters.

Meadowbrook ball team went down to defeat Sunday afternoon when they met Cluny in a pre-season game. The game was played at Meadowbrook with a good crowd in attendance.

Della Hunter, our ever obliging telephone agent has resigned and will be married this week. Ruby Vardell who has worked for some time in the office will assume the duties as agent.

Mrs. K. Sammons was severely hurt last Sunday when she was attacked by a cow in a field. The animal knocked her down and threw her through a fence. She was rushed to a Calgary hospital for treatment, but happily, her injuries were not extensive, and she was able to return home at the end of the week.

## NIGHTINGALE

—By Mrs. F. H.

There was a merry family gathering at the home of Mr. and Mrs. W. E. Mercer Sr. on Sunday, May 5th. The occasion was the christening of a great grandson, Roy Auburn Harris, son of Mr. and Mrs. J. C. Harris of Calgary. Rev. Ford of Strathmore officiated. Mr. and Mrs. Neville Mercer and family of Calgary were present. Mr. and Mrs. Pat Brown and children of Drumheller were also guests that day.

Floyd Joel has gone to Vancouver for a few months stay. In the distance we hear wedding bells.

Mr. and Mrs. Hartley (nee Pat Gothard) spent a week at the home of Grandma Dougan. Pilot Hartley just recently returned from overseas. He flew a plane from England to a point in Ontario.

Myrtle Stoodley spent the week end at home. Tom left on Sunday night for Edmonton to resume his studies. He had a three weeks visit at home following an appendix operation.

Mr. Clive Otto from Illinois, Mrs. Brethorst from Wisconsin, Mr. Orle Otto from Washington and Mr. and Mrs. Floyd Otto from Winnipeg were all visitors with their parents Mr. and Mrs. William Otto. All have returned to their homes but Mrs. Floyd Otto who will remain a while longer.

Mrs. Art Kimmitt accompanied Mr. and Mrs. Albert Mercer as far as Wetaskiwin for a visit with her daughter Edna and family. Mr. and Mrs. Mercer went on to Edmonton for a week.

Mrs. Walter Mercer was hostess to the Woman's Institute at the hall last Friday. A Mother's Day verse was given in answer to the roll call. A new quilt was set up and work carried on during the business session. Miss Edith Larson was selected to attend the W. I. girls' club week at Olds in July. "We are on our way to Peace" was an article read by Mrs. F. Harriman. It emphasized the fact that we must have patience as so great an object can not be accomplished too quickly, and that progress was much better than members of the San Francisco Conference dared to hope. A delicious tea was served to 18 mem-

## CHEADLE

—By B. W.—

Raymond Torrington is the latest of the boys to arrive back from overseas. Welcome home Raymond.

Orden McLean has been home on leave for a short time.

Miss Phyllis Wathen spent the week end visiting her sister and brother-in-law, Mr. and Mrs. MacDougall.

We are very glad to hear that Little Birdie Keer is feeling much better. No other cases of Scarlet Fever have been reported.

Mr. Robert Jackson is seen quite frequently these days flying from place to place.

### 10,000 PICTURES PER SECOND

One of Britain's leading precision engineering firms during the war produced a camera capable of taking 10,000 pictures per second. This camera is said to be the most perfect of its kind in the world for taking pictures in slow motion of fast moving objects. The Stroboscope, another instrument, a specialty of the same firm, enables the speed of rotating or reciprocating mechanisms to be measured and discloses any defects or adjustment necessary to improve production wherever possible. In specializing in high speed instruments, this firm produced special gyroscopes as well, which have already proved successful for aircraft and marine use for which a great peacetime future is predicted. These high-speed gyroscopes are used with considerable success for gyroscopically controlled instruments of all types for navigation equipment.

bers at the close of a pleasant afternoon. We were all glad to welcome back Mrs. Chas Kimmitt who had been absent lately on account of illness.

Sunday visitors at the Harriman home were Mr. and Mrs. Wm. Kock and Uncle Hank of Calgary, also Mr. and Mrs. Norman Bragg and children of Standard.

## Local News Items

Rev. S. R. Hunt left Monday morning to attend the Alberta Conference of the United Church.

Thursday last Mrs. Maggs and Mrs. Thurston were joint hostesses at the home of the former when they arranged a very delightful Dessert Bridge in honor of Mrs. Perry. Spring blossoms in abundance added an artistic touch to the pretty rooms and everyone enjoyed a very happy afternoon. Six tables were in play in which the prize winners were Mrs. Porteous and Mrs. Folk, with a special gift of remembrance to the honor guest.

Friday afternoon Mrs. Kimmitt with her class of girls taking the Home Economics Course entertained the girls' parents at Tea. A very interesting and commendable display of sewing, fancy articles, and ornamental plaques were shown, and an attractively arranged table from which the girls served choice sandwiches, cake and tea of their own making, proved the benefit derived from the course. Miss Olive Potter poured Tea. A large number of guests were present.

Mrs. Thomas McMurray of Vancouver spent the week end with Mr. and Mrs. D. McMurray.

Friday evening Mrs. T. E. Wright and Mrs. Moore were joint hostesses in a happy evening when Mr. and Mrs. D. A. Perry were the guests of honor. Several games of bridge interspersed with much merriment passed the hours quickly. Prize winners were high Mrs. Gladys Morgan and Mr. H. C. Willson, with the average score going to Mrs. Walter Mercer—Mrs. Mercer also winning the Travelling prize. Gifts of remembrance were presented the Perrys, after which all joined in singing Auld Lang Syne and They are Jolly Good Fellows. Mr. Perry expressed his warm thanks for all good wishes.

Rev. and Mrs. Robbins of Saskatchewan spent the week end in Strathmore. Mr. Robbins taking the service in the United Church Sunday evening.

Mr. Robert Jackson invited Mr. and Mrs. T. S. Hughes for a plane ride over Strathmore one day last week, which proved very enjoyable.

We are glad to know Blaine Chapman has been able to return home. We wish him complete and speedy recovery.

Mrs. Howard Galbraith was the raison-d'être for a pleasant social evening at the home of Mrs. T. S. Hughes Sunday evening after Service when the choir arranged a little farewell gathering in her honor. Mrs. Galbraith has been a regular member of the Choir for several years. Mrs. Hunt on behalf of the members expressed their regret at her departure and asked her to accept with the best wishes of the choir a lovely string of Pearls as a token of remembrance. Mrs. Galbraith thanked the members warmly for their lovely gift and kind wishes. A pleasant social hour followed over the coffee cups.

Mrs. Jack Crellin is visiting in Coleman for a few days.

Congratulations to Miss Gwendolyn Hunt who has received her B. Ed. degree from the U. of A.

A number of family gatherings were held Sunday on the occasion of Mother's Day.

Mrs. Alice Crellin arranged a very lovely shower in honor of Mrs. A. Brown (nee Cerydwin Tudor) whose marriage was a recent event in Strathmore. The guests included about twenty friends of the bride, and all were in merry mood to welcome the bride. An abundance of choice refreshments was enjoyed by all after which Mrs. Crellin on behalf of the guests presented the bride with a very pretty plastic boudoir lamp and a lovely serving tray. Cerydwin thanked the guests warmly for gifts and good wishes. Mrs. Crellin was assisted by L. Cpl. Ivy Foley and Irene Prichard.

Remember the Oratorical Contest to be held Tuesday evening next in the Memorial Hall.

The Bingo Club meets this week at Mrs. Bennett's home.

Associations of previous years must have been hovering in the scribe's mind last week when in the write up of the Mother's Day programme given at Mrs. Sauder's home we wrote Miss Violet Hyde, instead of Miss Violet Lugg. However, Violet Lugg was once a pupil of Miss Hyde (now Mrs. John Moss in England). We are certain she will feel no bitter resentment at the error.

Mr. and Mrs. Gaylon Robison spent Mother's Day at the parental home in Strathmore.

Rev. S. R. Hunt will be away for two weeks, during which time services will be taken on May 19th, by Rev. Wm. Morrison, of Peace River and on May 26th, by the Young People of our congregation. Following the service on May 19th, a Congregational Meeting will be held, which will discuss the selection of a minister for the pastoral term beginning July 1st.

Imogene Thompson celebrated her Birthday Monday, by inviting a few friends to make merry with her. A treasure hunt and other games passed the time quickly to Tea-time when an abundance of good things to eat was an important part. Imogene received some pretty presents and all good wishes for many more birthdays.

Mr. Keith Baldwin, together with Mr. George Palardy, made the trip to Nipawin, Saskatchewan last week end. They are expected back before a week end.

The Patrol Leaders of the Strathmore Boy Scouts held a Court of Honour on Tuesday evening to discuss plans for the troop. Much discussion was brought out and old matters disposed of. Decision as to colour of uniforms was made in favour of Khaki shirts. There is a wide choice of colours in Scouting but khaki was felt to be most satisfactory from many points of view. Decision as to trousers is being held until more information can be secured.

Mrs. S. R. Hunt is spending the week visiting in Calgary and Edmonton.

We are glad to see the new fence behind the old Maple Leaf foundation. The former one was simply misleading in its suggestions as to safety.

Marcus Pyck, one-time operator of the King Edward Grill was in town for a few days, renewing old acquaintances. Marc expects to be discharged in the near future.

Mrs. Alice Crellin is in Coleman for a few days, assisting her sister, Dora Gray, who is establishing herself in that town.

Mrs. P. M. Sauder entertained about a dozen ladies on Thursday afternoon, at a tea in honour of Mrs. Muncey, of Vancouver. The room was very prettily decorated with a number of tulips from Mrs. Sauder's garden, and the ladies passed a highly entertaining afternoon.

### GEORGE ANDERSON HEADS CLOTHING DRIVE

Again this year it has been found necessary to implement a National Clothing Collection in order to aid the devastated peoples of war-torn countries. Following the example of last year's collection, the Strathmore Lions Club have decided to again sponsor the collection this year. George Anderson has been appointed chairman, and is to be assisted by a committee. Members already appointed are J. A. Tench, Jack Bennett, and T. Oldham.

Most of the campaign are from June 17 to June 29. Farmers or townspeople are asked to leave their clothing with their neighborhood stores for collection.

## Increase Strength Reserve Army Unit

A letter received from Major Towernton shortly after his discussion of the strength of the proposed reserve army unit in Strathmore indicates that the manpower would require to be seventy-six all ranks, instead of the thirty-six as at first mentioned.

These ranks would include one captain, two lieutenants, one W.O. class II six sergeants, six bombardiers, eight lance bombardiers and thirty eight gunners. Of the establishment, eleven may be qualified as tradesmen.

Pay rates for the post war army are increased to fifty dollars per month for a gunner on enlistment, with subsistence allowance of forty-five dollars married allowance of twenty dollars. After six months service as a gunner, pay rates are boosted to fifty four dollars per month.

The old rank of lance corporal is being replaced by the rank of private, first class.

## Namaka Home Burns

The home of Mr. and Mrs. Francis Aitkens at Namaka was completely destroyed by fire on Tuesday afternoon. The fire was first noticed about three o'clock and an alarm was spread, but before the neighbors could accomplish anything the flames had become too strong a hold. It is thought that the fire started in a chimney.

In the home at the time was Mrs. Aitkens, and her two small children. She managed to get them both out of danger, but was unsuccessful in salvaging anything but a few small items that were stored near the doorway. All of their household possessions, furniture and clothing went up in the blaze.

The family are at present living with Mr. Aitkens parents Mr. and Mrs. L. R. Aitkens.

"Fashions by Canada", newest National Film Board release in the Canada Carries On Series, traces the history of the fashion industry in Canada.
